When a student determines that he/she will be unable to complete courses in which he/she is currently enrolled, it is the student’s responsibility to initiate procedures leading to a formal withdrawal (“W”) in order to avoid a failing (“F”) grade. To receive a “W” grade a student must withdraw before the last 25% of the academic term. The instructor may also assign “W” at other times when circumstances warrant such action. A “W” will remain on the transcript and will not count as credit hours attempted. To receive credit, a student who received a “W” must re-register and pay for the course in a subsequent term. Financial aid recipients need to refer to the financial aid satisfactory progress policy to determine if schedule adjustments will affect financial aid.

ADMISSIONS

Residence Requirements

New students or students whose residence status has changed may be eligible for in-state tuition status if they have established and maintained a legal residence in NC for at least 12 consecutive months prior to start of the term. An NC driver’s license, voter registration card, NC tax return and other proof, such as a lease, deed, or utility bills may be reviewed in various combinations as documentation, but no one item nor combination will necessarily be the deciding factor. Responsibility for proving status lies with the student.

US noncitizens should bring a resident alien card, visa or I-94 in addition to the above types of proofs. The immigration document and date of issue are factors in determining residence status for tuition purposes.

It is the student’s responsibility to notify the College if North Carolina residence is lost or abandoned while enrolled. Contact Admissions or Registration Services at any CPCC campus.

Non-U.S. Citizens

International students (F-1 Visas) may contact the International Student Advisor at 704.330.6456 for more information.

High School Students

For information about the Concurrent Enrollment or College Experience Programs, call 704.330.4435. You must be at least 16 years old to register.

Pin Numbers

Personal Identification Numbers (PIN) are issued to all CPCC students and are required for most self-service transactions on the web (@CPCC) and by telephone. Your PIN will remain the same unless you change it. PINs help ensure the privacy of your education records so keep your PIN in a secure place and available for your use only. You will find your PIN on receipts for payment, appointment and class cancellation grams. If you forget your PIN, it can be obtained on the web system using your Social Security number, or 999 number for international students, and birthdate. For added security, you can block this access so that your PIN is NOT available via the web. Use the same web option to mark your PIN private, or go to the registrar’s office at any CPCC campus and request that your PIN be marked private.

Student Identification

CPCC ID cards are required for students to check out materials from the Learning Resources Center (LRC) and to use the testing and fitness centers. Student IDs are made in the ID Room in the Central High Building on Central Campus. Keep your ID. There is a charge for replacement IDs.

COURSE LOAD REGULATION

Students registered for at least 12 hours of credit during fall and spring terms and for at least 9 hours of credit during summer term are considered full-time students. Any hours over 18 during fall and spring terms and any hours over 13 during summer term are overload hours and require permission.

All students seeking overload approval for 19-20 hours during fall and spring terms and for 14-15 hours during summer term must secure approval from the faculty advisor, program chair, division director, or appropriate instructional dean.

All students seeking overload approval for 21 or more hours during fall and spring terms and for 16 or more hours during summer term must secure approval from the appropriate instructional dean.
Whether registering by telephone or online, you will be given an amount due, a payment deadline date and a choice of payment methods.

If paying by check, please make a note of the control number you will be given and include that on your check. Mail to:
CPCC Financial Services
P.O. Box 35328
Charlotte, NC 28205

If paying by credit card, be sure to have your card number and expiration date ready.
(MasterCard, Visa, American Express)

Unfortunately, we must cancel your registration if payment is not received by the payment deadline date in order to make spaces available for other students (see page 7 for more information).

PORTAL
In Summer 2005 CPCC will streamline the availability of student services through the college Portal. The Portal can be entered from the main college web site by students with a valid SNAP Id and password. The Portal allows students to utilize college services from a single location providing convenient access to the services highlighted below.

START HERE: SINGLE NETWORK ACCESS PASS
Your key to email, computer login, file storage etc is your Single Network Access Pass (SNAP). Your SNAP account consists of a username and a password. The username is assigned by the College. But you will create your own password. Your account is available to be activated 24 hours after you have registered. Go to http://www.cpcc.edu and choose the link Single Network Access Pass (SNAP). You can visit the site from home or on campus. When using a student machine on campus type ‘SNAP’ for the UserID and password. To activate your account, identification information is required. A UserID (ex: crudae20) is generated for you on the site and you provide a password.

COMPUTERS ON CAMPUS
Check out the comprehensive list of open computer labs available for use at CPCC campuses, and libraries. A listing of locations and hours of operation is found on the following website: http://www.cpcc.edu/itservices/labs.

ONLINE CLASSES
Many courses at CPCC now require accessing one of CPCC’s learning management systems called Blackboard or Moodle. Your UserID and password provide access to these platforms. Visit http://blackboard.cpcc.edu or http://moodle.cpcc.edu.

STUDENT EMAIL
Your CPCC email address is: yourUserID@email.cpcc.edu. The college’s official means of communicating with students is through email. Check your email at https://email.cpcc.edu. Messages will be sent to your CPCC address unless you have provided another email address in your MyCPCC profile. To change which address messages are sent to, go to Update My Personal Information and PIN Number on the registration site. Ten MB of storage space is available to you with no spam or ads. You can also build a personal address book.
