“The paralegal program, as well as many other programs at CPCC, offers a variety of night and internet classes to fit any student’s busy schedule. There were always advisors and other faculty members readily available to help with admission and registration issues and questions.

Shortly after receiving my degree, I was hired by the Mecklenburg County district attorney’s office as a victim/witness legal assistant. I love my job, which allows me to use the skills and knowledge I acquired at Central Piedmont. I hope to one day work in private practice specializing in family law. I know that with my degree from Central Piedmont there are endless possibilities.”

CPCC Paralegal Technology Student

First short session ....................................................... February 16
Second short session ................................................... April 25

When a student determines that he/she will be unable to complete courses in which he/she is currently enrolled, it is the student’s responsibility to initiate procedures leading to a formal withdrawal (“W”) in order to avoid a failing (“F”) grade. To receive a “W” grade a student must withdraw before the last 25% of the academic term. The instructor may also assign a “W” at other times when circumstances warrant such action. A “W” will remain on the transcript and will not count as credit hours attempted. To receive credit, a student who received a “W” must re-register and pay for the course in a subsequent term. Financial aid recipients need to refer to the financial aid satisfactory progress policy to determine if schedule adjustments will affect financial aid.

For additional information, call the CPCC Information Center at 704.330.2722.

New students seeking degrees, curriculum certificates, or diplomas at CPCC will need to follow five easy steps to enroll.

Here’s how to get the process going:

1. Fill out an application. Apply online at www.cpcc.edu or call 704.330.2722. You may also visit one of the six campuses.

2. Create your Single Network Access Pass (SNAP) – This gives you access to secure online services from the College such as online registration, email and online courses. To create your Single Network Access Pass, logon to the website at http://snap.cpcc.edu. If you do not know your Student ID number, you can obtain it from the SNAP application.

3. If you plan to earn a degree or diploma at CPCC, be sure to have your high school transcripts and any other college transcripts mailed to CPCC Admissions, P.O. Box 35009, Charlotte, NC 28235.

4. Register for classes online at www.cpcc.edu, by phone at 704.330.6970 or in person at any of the convenient campus locations.

5. Check for scholarship, grant or Financial Aid opportunities online at www.cpcc.edu/financial_aid/.

Any high school graduate who will be under the age of 18 at the start of the term must provide a high school transcript with the date of graduation.

For your convenience, admissions processing can be completed at all CPCC campuses. See page 102 for campus locations.

Mail admissions forms and transcripts to:
CPCC Admissions, PO Box 35009, Charlotte, NC 28235-5009

Students registered for at least 12 hours of credit during fall and spring terms and for at least 9 hours of credit during summer term are considered full-time students. Any hours over 18 during fall and spring terms and any hours over 13 during summer term are overload hours and require permission.

All students seeking overload approval for 19-20 hours during fall and spring terms and for 14-15 hours during summer term must secure approval from the faculty advisor, program chair, division director, or appropriate instructional dean.

All students seeking overload approval for 21 or more hours during fall and spring terms and for 16 or more hours during summer term must secure approval from the appropriate instructional dean.

New students or students whose residence status has changed may be eligible for in-state tuition status if they have established and maintained a legal residence in NC for at least 12 consecutive months prior to start of the term. A NC driver’s license, voter registration card, NC tax return and other proof, such as a lease, deed, or utility bills may be reviewed in various combinations as documentation, but no one item nor combination will necessarily be the deciding factor. Responsibility for proving status lies with the student.

US noncitizens should bring a resident alien card, visa or I-94 in addition to the above types of proofs. The immigration document and date of issue are factors in determining residence status for tuition purposes.

It is the student’s responsibility to notify the College if North Carolina residence is lost or abandoned while enrolled. Contact Admissions or Registration Services at any CPCC campus.

International students (F-1 Visas) may contact the International Student Advisor at 704.330.6456 for more information.

For information about the Concurrent Enrollment or College Experience Programs, call 704.330.4435. You must be at least 16 years old to register.

Student IDs are made in Central High Building on Central Campus and at all other Central Piedmont campuses. ID room hours are available online at www.cpcc.edu or by calling the campus of your choice.

The Portal can be entered from the main college web site by clicking on the link for MyCPCC Personalized e-Services using your SNAP ID and Password. The Portal enables students to access many college services from a single location.

WebAdvisor Self Service System (MyCollege) http://mycollege.cpc.edu/
The new college WebAdvisor system enables students to register for classes, drop/add courses, view their current class schedule, check on class availability, pay their tuition, check a program evaluation, and view grades. Access to this service requires the use of Single Network Access Pass (SNAP).

Student E-mail https://email.cpc.edu
The college’s official means of communicating with students is through email. Your CPCC email address is: youruserID@email.cpc.edu with 10 MB of storage space available to you with no spam or advertisements. The college is considering transition to a new student e-mail system in the spring ‘07 term. Details will be forthcoming on the college home page.

Classes Online http://moodle.cpc.edu
http://blackboard.cpc.edu
Many courses at CPCC are now supplemented by one of CPCC’s online learning management systems called Blackboard and Moodle. Your SNAP credentials (UserID and password) unlock access to these platforms. You may also use the My Courses Tab located in the College Portal to access these course platforms.

Once you login using your UserID and Password, you will have a drive mapping to your eLocker drive.

Pay For Print http://payforprint.cpc.edu
All students have a ‘Pay For Print’ account. A free quota of prints is provided every semester to students who have paid a technology fee. You can use this account to print in any of the college’s open computer labs. If your program of study does not require you to pay technology fees or your printing needs exceed the free quota, you can purchase prints online or at any cashier’s window.
